The Council reviewed the Application for a Special Events Permit allowing the Wray Volunteer Fire Department to host a beer garden at the Wray Amphitheatre on June 22, 2013. Council member Tyler Lightle made a motion to approve the Special Events Permit request for the Wray Volunteer Fire & Rescue. The motion was seconded and passed with six supporting votes. Council Member K.T. Gregg opposed the motion and expressed that his vote was not a reflection on the fire department but rather an opposition to the sale of alcohol as a fund raising event.
